

LEAD Celebrates 5 years

“LEAD has made boys into men; building us into a stronger and better person every time we meet. Helping us to achieve greatness, helping us achieve our fullest potential, helping us use the wings we were born with and fly. We have all grown stronger in our own ways, whether it’s physical, emotional or mental; we all have the strength to do better, to dream better, and to be better. OUR STRENGTH HAS NO LIMIT.”

- Reflections of 5th year LEADer

L.E.A.D (Letting Everyone Achieve Dreams) combines wilderness experience and adult mentorship to foster leadership skills and community responsibility in youth.

LEADership Summer 2010 Adventures

Camp Orkila

For the summer of 2010 LEAD has partnered with YMCA Camp Orkila. The camp is located on northwest tip of Orcas Island in Washington State and is perfect for exploring rugged beaches, calm bays and neighboring San Juan Islands. Camp Orkila's 280 acres face Presidents Channel and the Canadian Golf Islands and are the backdrop for the most colorful sunsets imaginable. The true Northwest experience begins with their journey to beautiful Orcas Island and continues as they discover the wonders of the outdoors through the camp's values-based program that emphasizes respect and responsibility.

Thank you for your support.
